

# SSG STAINLESS STEEL

## Return Grille

The series SSG is a non-adjustable return grille made with louvered blades for limited vision or exterior applications. The blades are reinforced from the rear on approximate 12" centers.

Constructed from type 304 stainless steel with satin finish standard. Type 316 stainless steel also available at an additional cost.

**Specify** Series S-44 opposed blade damper to make return register. The S-44 OBD assures even distribution of air across the grille face as well as positive volume control.

**SEE OPTIONS PAGES:**
